

2015 King Air 350i
Serial Number: FL-1005 Registration: N198AG

AIRFRAME & ENGINES:

Two Pratt & Whitney PT6A-60A Turboprop Engines
Total Time: 560
Landings: 307
L/H Engine s/n PCE-PK2000: TSN 560
R/H Engine s/n PCE-PK2001: TSN 560

AVIONICS:

Rockwell Collins Pro Line 21 Avionics Package
Integrated Avionics Processor System (IAPS)
Integrated Flight Information System with IFIS 6.0 Software
Enhanced Map
Rockwell Collins ECH-5000 Electronic Charts
Rockwell Collins AFD-3010 EFIS
Rockwell Collins AFD-3010 Primary Flight Display
Rockwell Collins AFD-3010e Multi-Function Display
DCP-3000 Control Panels
Two DCU-3000 Data Control Units
FGC-3000 Automatic Flight Guidance System 3-Axis Autopilot with Yaw Damper
Two FGC-3000 Computers
Dual Rockwell Collins ADC-3000 Air Data Computers
Dual Rockwell Collins AHC-3000 AHRS
Electronic Flight Instrument System (EFIS)
Engine Indicating System (EIS)
Air Data System (ADS)
Attitude Heading System (AHS)
Automatic Flight Guidance System (AFGS)
Flight Management System (FMS)
Dual Rockwell Collins VHF-4000 VHF Comm Transceivers
Single Rockwell Collins NAV-4000 Navigation Receiver
Single Rockwell Collins NAV-4500 Navigation Receiver
Single RTU-4200 Comm/Nav Tuning Unit
Dual Rockwell Collins TDR-94D Mode S Transponders
Single Rockwell Collins DME-4000
Single Rockwell Collins ALT-4000 Radio Altimeter
Single GPS 4000S Global Positioning System
Single Rockwell Collins FMS-3000 with FMS 4.0 WAAS/LPV approach functionality.
Rockwell Collins TWR-850 Turbulence Weather Radar
MC-3110 Maintenance Data Computer
Rockwell Collins TCAS-4000 TCAS II
ACSS TAWS+

*Specifications Subject To Verification Upon Inspection Aircraft Subject To Prior Sale, or Withdrawal From Market.
